

LEVEL 2: ANNOTATED READING QUESTIONS

Bandah Primary School Bulletin

Monday, 18 December 2020

Dear Parents,

It has come to my attention that there have been some recent problems concerning the pick-up and drop-off zone.

I am sure you are aware that this is an important safety issue for all students at our school. Unlike adults, young children cannot judge the speed and distance of a moving car. Also, at the end of a long day at school, everyone is often tired and they do not pay attention to what is going on around them.

Drivers need to be very careful to obey the rules around schools. The speed limit is there to protect our children. It is not there to make you late for work. Please wait for your turn to pick up or drop off your little ones. You do not need to push in. Honking your horn is also not necessary.

Parents who cannot follow the rules risk a fine from the police. It can be as much as \$375 and 3 points off your licence. Believe me, they will be keeping a close eye out in the next few weeks.

Keeping all students at Bandah Primary School safe!

Mrs Wallace, Principal
